

CMS15T

5.25" two-way loudspeaker

The CMS15T is a 100 volt two-way square in-wall loudspeaker that is loved by every interior designer for its beautiful shape, ease of integration and perfect sound quality.

This loudspeaker has an enforced 5.25" polypropylene woofer and a 1" tweeter. It makes the CMS15T very suitable for the distribution of background music and microphone calls. The loudspeaker is easy to install thanks to its simple, quick mounting system with 4 screws hidden behind the grille.

The housing is made of high quality ABS, the detachable grille is made of aluminum, and the woofer is made out of enforced polypropylene - 3 elements that make this speaker moisture proof and also suitable for humid environments!

The CMS15T loudspeakers can be painted in any colour. An optional in-wall back box is available (CMS5BBI).
