

D-Cerno SL TC

D-Cerno SL Transport Case

Description

The D-Cerno SL TC is a high-quality transport and storage case for a complete D-Cerno SL system.

The case offers room for 12 D-Cerno SL units, 12 microphones, and one central unit, including a power supply and cables.

The foam inlays have been laser cut, making a perfect fit for the equipment and offering maximum protection against dust and impact.

The case has been designed for frequent use and safe transportation. It is built from durable, rugged materials and has a handle at the front. As a result, it is easy and comfortable to move around.

Features

- » Pre-formed foam inlays
- » Room for 12 D-Cerno SL units, 12 microphones, a Central Unit, a Power supply, and cables
